SEDIA MITO

DESIGN, COMFORT, MEMORIA...

Sono le parole che hanno illuminato il percorso per la realizzazione della poltrona MITO. La linea pulita ed essenziale ha caratterizzato il design. Seduta e schienale con struttura in legno, molle elastiche e poliuretano espanso di alta densità, caratterizzano il comfort. La ricerca di tessuti pregiati e raffinati, oltre che unici nella loro categoria, rappresentano la memoria ed il nuovo design.

DESIGN, COMFORT, MEMORY...

These words enlightened the path of realization MITO chair. The clean and essential line features the design. The seat and the back of the chair with wood structure, elastic springs and polyurethane foam in high density feature the comfort. The seeking of precious and refined tissues, unique in their kind, represents the memory and the new design.
